VIRGIN TERRITORY

READER FORUM FOR HOT TOPICS, QUESTIONS, COMMENTS AND SUGGESTIONS.

Masturbating Molly

Dear Virgin Territory,

I just wanted to say thanks for the fantastic photos of Molly in the Dec. '09 issue. She is so hot. What a body. She looks tasty wearing those panties and bra. I love A-cuppers. Molly, if you happen to read this, I think you are so sexy and hot. I'd love to see you in a solo masturbation scene, soaking those panties you wore in the Dec. '09 issue. You have perfect breasts. Is there any chance of you doing a video like that? I'd also really like to see you in future issues, too!—Anonymous, Victoria, Kansas

Dear Anonymous,

Unfortunately we don't have any video footage of Molly. But if you missed it, you can see Molly in hardcore anal action in the Jan. '10 issue, available for order on page 11. If you'd just like to see Molly on her own, here's a bonus photo of her for you to enjoy.

Cherry-Be-Gone

Dear Virgin Territory,

I loved the "Get Some!" article in the Nov. '09 issue. Yes, I actually read the articles! To be honest, I only recently lost my virginity, and I am 28 years old. I wish I had read this article years ago because I probably would have gotten laid with that info at hand. I finally got lucky because a friend of mine gave me some advice very similar to what was offered in the article.

It was embarrassing for me to be a virgin for so long. My problem was a combination of a sloppy appearance and lack of confidence. The first thing my friend recommended was to update my wardrobe and clean up my appearance. I found that with some decent clothes (not the over-

sized, wrinkled, mismatched items I was wearing before), a fresh haircut and a clean-cut face, my confidence went up. I'm still not a smooth-talking

reaping the benefits soon enough. I promise!—E.T., Miami, Florida

Dear E.T.,

Wasn't that article awesome?

Every month we get letters from guys who aren't getting laid nearly as often as they should be, and we decided to do something about it. We knew Mr. Lewis would be the right author to guide our horny readership into the pussy promised land. Looks like he succeeded!

That Thing They Do

Dear Virgin Territory,

Your magazine kicks ass and makes an old fart like me feel like a spring chicken. My friend is a subscriber and passed an old issue to me, and that's how I fell in love with your magazine. It was the April '09 issue with Candy on the cover. But it was Fiona and Helena that really turned my crank. I wanted more of your young girls and decided to subscribe. Who doesn't want to hear about these sexy, young girls and all the hot things they do? What tickles their pussies and how rough they like it and all of that. I wish more girls were honest like that! Further proof your magazine does it like no other. So keep doing what you're

doing and bringing more of these hot and tight girls to my doorstep.—S.B., Los Angeles, California

Dear S.B.,

We pride ourselves on getting our models to 'open up', so to speak. We're glad you enjoy the editorial as much as the photos. Thanks for writing in.

His Member Is Happy with December

Dear Virgin Territory,

Your Dec. '09 issue is very hot.

ladies man, but it got me somewhere. My friend also advised me not to be such a pushover. Whenever I'd try to talk to girls I'd be too nice and compliment them too much. I'd say I'm still a nice guy but I stopped going out of my way for girls. After following these rules and a few more, I finally got laid...more than once! As I mentioned before, the advice my friend gave me was very similar to the advice in the article. So to all the virgins and unlucky guys out there reading this, take that article seriously! Follow what it says and you'll be

favorite model in that issue. Her sun-kissed good looks have haunted my dreams ever since I first opened the issue. Thank God for frisky teens like her who love to sunbathe. I also really liked her little triangular patch of pubic hair. In this day and age of completely bald vaginas, it's refreshing to see a girl who keeps a little, neatly-trimmed hedge. A small amount of hair on the mound is ideal because it looks cute and is in a place where it does not interfere with cunnilingus.

Something else that I noticed about Lena is that she has the cutest little nipples with tiny, little bumps on her areolae. I can just imagine running my fingers over them to feel the texture of her skin and harden her nipples even more, then sucking them. Lena really is a pleasure to look at, and I bet it's even more of a pleasure to have sex with her. She looks like she knows how to show a guy a really good time. But then again, don't all 18eigheteen girls?

We don't know about you, but Lena makes us wish they all could be 18eigheteen girls.

—M.G., Saint Paul, Minnesota

Dear M.G.,

Lena is a hot one. We were totally into her little triangle, too. And now that you mention it, her little, bumpy nipples do look delicious. Isn't it amazing how the smallest details can turn you on? If Lena is your type of girl, be sure to check out Destiny on page 43.

Boners for Blondies

Dear Virgin Territory,

I finally decided to write because I really have to say thank you for putting some of the sexiest, hottest girls in your magazine on a monthly basis.

I've been picking your mag up since the Holiday issue of '08, and it might have had to do with this one girl you featured in there, Sofia. Man, that little blonde and her tight bod really

Tyler was hot, too, and she looked cute taking a cock in both lips. You should have a special dedicated to

Dear B.M.,

Prayin' for a Sprayin'

Dear Virgin Territory,

I'd like to know an answer to a common question. I once was eating out a girl and she was completely into it. She said, "I'm gonna cum." And she squirted like you wouldn't believe. Is this natural? I loved it, and drank every single drop.

She was embarrassed. What causes this? Stimulation of the nerves or

what? Anyway, I love your magazine, mostly for the wet panty shots. Any chance of a squirted panty special?—J.M., Hays, Kansas

Dear J.M.,

What you speak of is female ejaculation. It is relatively common and completely natural, so please tell your lady friend there is no reason to be embarrassed! This phenomenon is not completely understood in the scientific community. But based on our research, when a female is aroused and close to orgasm, or having an orgasm, she will release a

fluid from the glands around her urethra. There is much debate about the source of this fluid. But if you like the flood, then go ahead and swim in it. As for a wet panties special...that sounds like a good idea. Here's a soaked pair of undies for you to enjoy right now!

A Clarification

Dear Virgin Territory,

I have been taking some time off work this week, and was delighted to see the latest issue of 18 eighteen Dec. '09 drop through my letterbox just now. I was very surprised to find an email I wrote you some weeks/months ago published within. Did I really write that? I must have been in one hell of a bad mood that day! Rather than publish it, you should have told me to get lost, and take my head out of my arse!

I am particularly concerned that I

come across as a total racist, having Afro-Caribbean teens in the "No" list. Please be assured that I am not at all racist. I see all mankind as one family, all worthy of respect and equality. I was just expressing my own personal taste, as a Caucasian man who is attracted to Caucasian girls. It doesn't help living where I do—it's not very diverse here, certainly not how I imagine things to be in the U.S.

To be honest, I am very, very happy with 18 eighteen magazine, you do a great job putting it together, and I can't imagine not having a copy arrive each month. I realize that everyone

has different tastes, and that you have to take all of them into consideration. And your DVDs are absolutely the best. I wish I could afford to buy them more often.

So thank you for reading my last email, and apologies for all the hate mail you'll receive in response to it being published. I think I probably deserve the backlash for being so thoughtless. Love to ALL your girls.—C.W., South of England

Dear C.W.,

No worries. We like to hear everyone's opinions and constructive criticism is always welcome. The way we see it, no harm, no foul.

COCKS GET ROCK HARD FOR THESE TINY TEEN TITTIES.

The itty-bitty tittle committee is filled with young, horny sluts, and these girls do a fine job representing their committee. Brooke fan- cies the pool cleaner and gives him a taste of her sweet cookie. She does her best to please him, gulping down his tool and working her pussy on his cock while he enjoys the ride. You won't find a girl flatter or hornier than Chrissie. She has the hots for her much older swim instructor and finds out that there's a lot more he can teach her than just the breaststroke. Ally is a blonde sex kitten with a tight body who seduces her dad's business partner. She's completely uninhibited, screaming and thrashing as she gets pounded.

YOUNG TARTS OVERHEAT AT THE THOUGHT OF FUCKING!

Any *18eighteen* reader knows that our girls are just as horny as men. Bonnie thinks about sex all day long, and she's ready to take the plunge with her boyfriend. She's a virgin and he gets the first slice of her cherry pie. Her love tunnel is so snug that he eats her out and fingers her plenty before going where no man has gone before. After plenty of oral sex to warm her up, Bonnie gets her first fucking and loves every second of it. Sophia is a naughty girl, too. She wants to watch television, but it isn't working. So she calls the repairman. Once he's in her home Sophia isn't so mad about her TV malfunction. It was a blessing in disguise because she'd much rather fuck the repairman than be a couch potato. Sophia gets him to take his tool out of the TV set and put it inside her pussy. He bounces her on his cock then coats her in cum.

to be naked and putting on a show for me while I stroke my dick. Ava has such perfect, pert, little A-cups with such big, erect, brown nips. They are a lovely pair of pointy titties, little handfuls with suckable nipples.

But I couldn't just sit back and watch. I'd want to participate. Her slick, little slit needs lots of licking. I'd love to taste her light brown lips and her lotus flower while it's open wide, exposing the pink inside. Her little

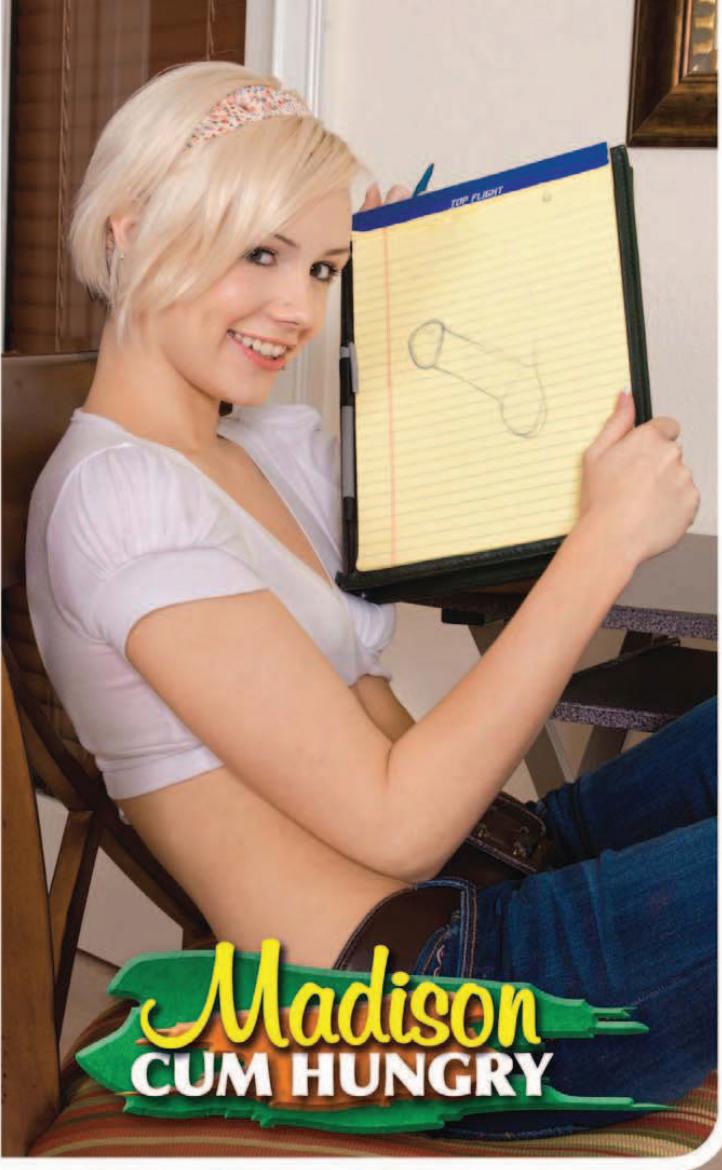

hooded clit looks tasty, and her tight, fuckable lovehole looks like it would fit snuggly around my hard dick. Ava has lovely, curvy hips and round cheeks that I'd like to split open wide to lick down her crack.

Ava is such a little cutie. In my fantasy I fill all of her holes with my hard pole, then deposit my sticky load all over those cute, perky titties. Rubbing my slick, sticky cum all over her small, splattered titties would be so much fun. I'd then use the tip of my dick to circle her tits, rubbing my cock across her pert nips.—B.C., Old Bridge, New Jersey

Dear B.C.,

Ava certainly is a little Asian sex kitten. You can see many of the things you mentioned in your letter being done to her in an upcoming XXX pictorial. Keep your eyes peeled for it!

Madison
CUM HUNGRY

"I'm known for my awesome blow jobs!"

The last time Madison appeared in the magazine (May '09), she had just been introduced to sex. Since then, Madison's had way more experience, and she was happy to report to us that giving head is now her favorite sexual activity. "I've gotten really good at it. I know all the tricks!"

BRAT CHAT

HEIGHT: 5'4"

WEIGHT: 115 lbs.

BORN: April 17

Guys love her pierced tongue.

"Guys say it feels really awesome when I flick it around the tip of their cocks. I have met some guys who don't like it, but I'm happy to take it out while I suck them so it's still pleasurable."

Hilda Rindörg

&

Madison knows what you want.

We had to wonder if Madison has her own personal porn P.R. coach, because every answer she gave us was exactly the kind of thing that guys love to hear. When we asked her if she'd read a manual about how to turn guys on, she responded with, "I didn't read it. I wrote it! Just kidding. But to be honest, a lot of the things I know about sex I learned from watching pornos." See what we mean? She's hot *and* educated. And what guy wouldn't love to hear a girl say that she watches porn to learn about sex? Those girls are pros. Some more of Madison's answers included: "When you give head, you can't just suck the tip. You have to get as much meat in your mouth as possible," and "I'm an easy cummer. I know how to ride a dick so that it can get me off at least four times in twenty minutes." And our favorite: "My favorite place for the guy to cum on me is wherever he wants to."

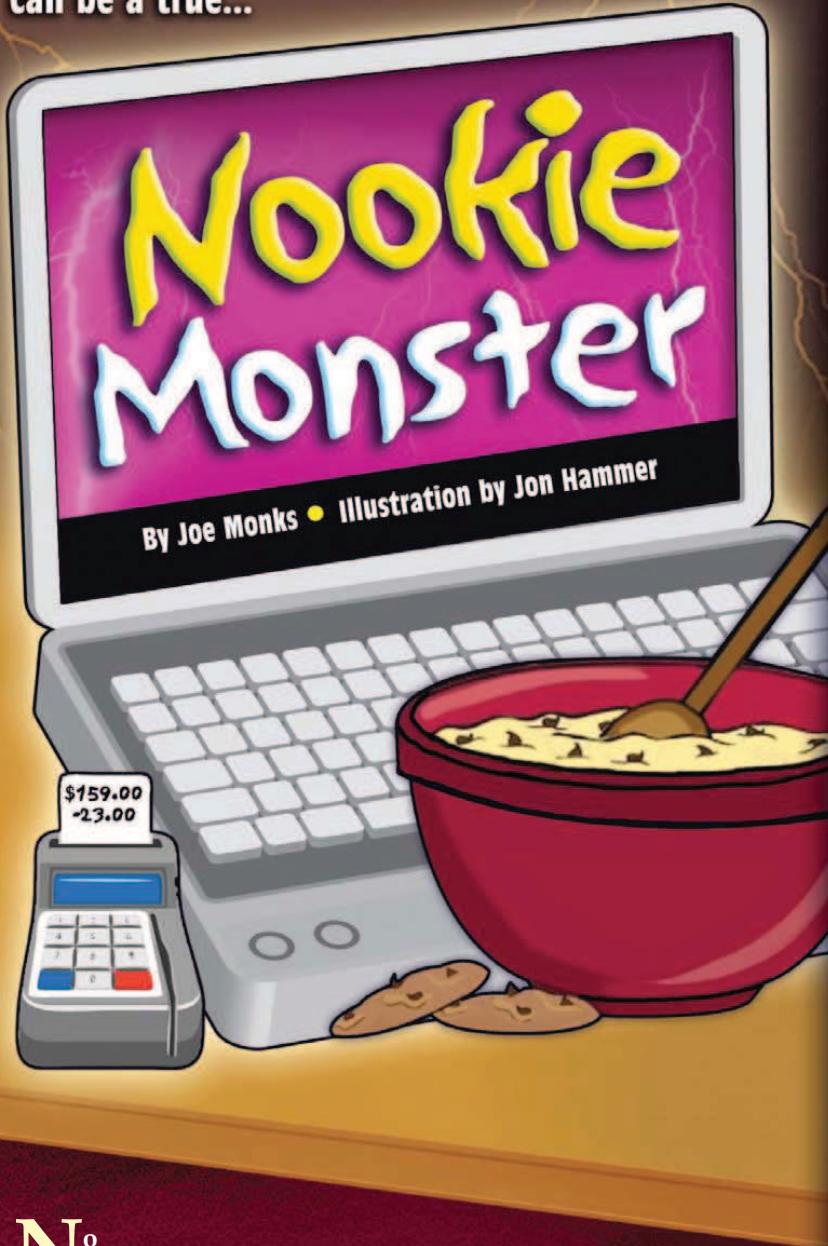

She's also become something of a cum connoisseur.

"You know how some people like to drink wine and know all kinds of stuff about it? I'm like that, but with cum. I love to taste it, and it's gotten to the point where I can tell what the guy's diet is like by the taste of his cum. And I can make recommendations to make his cum sweeter. Lots of fruit always helps!"

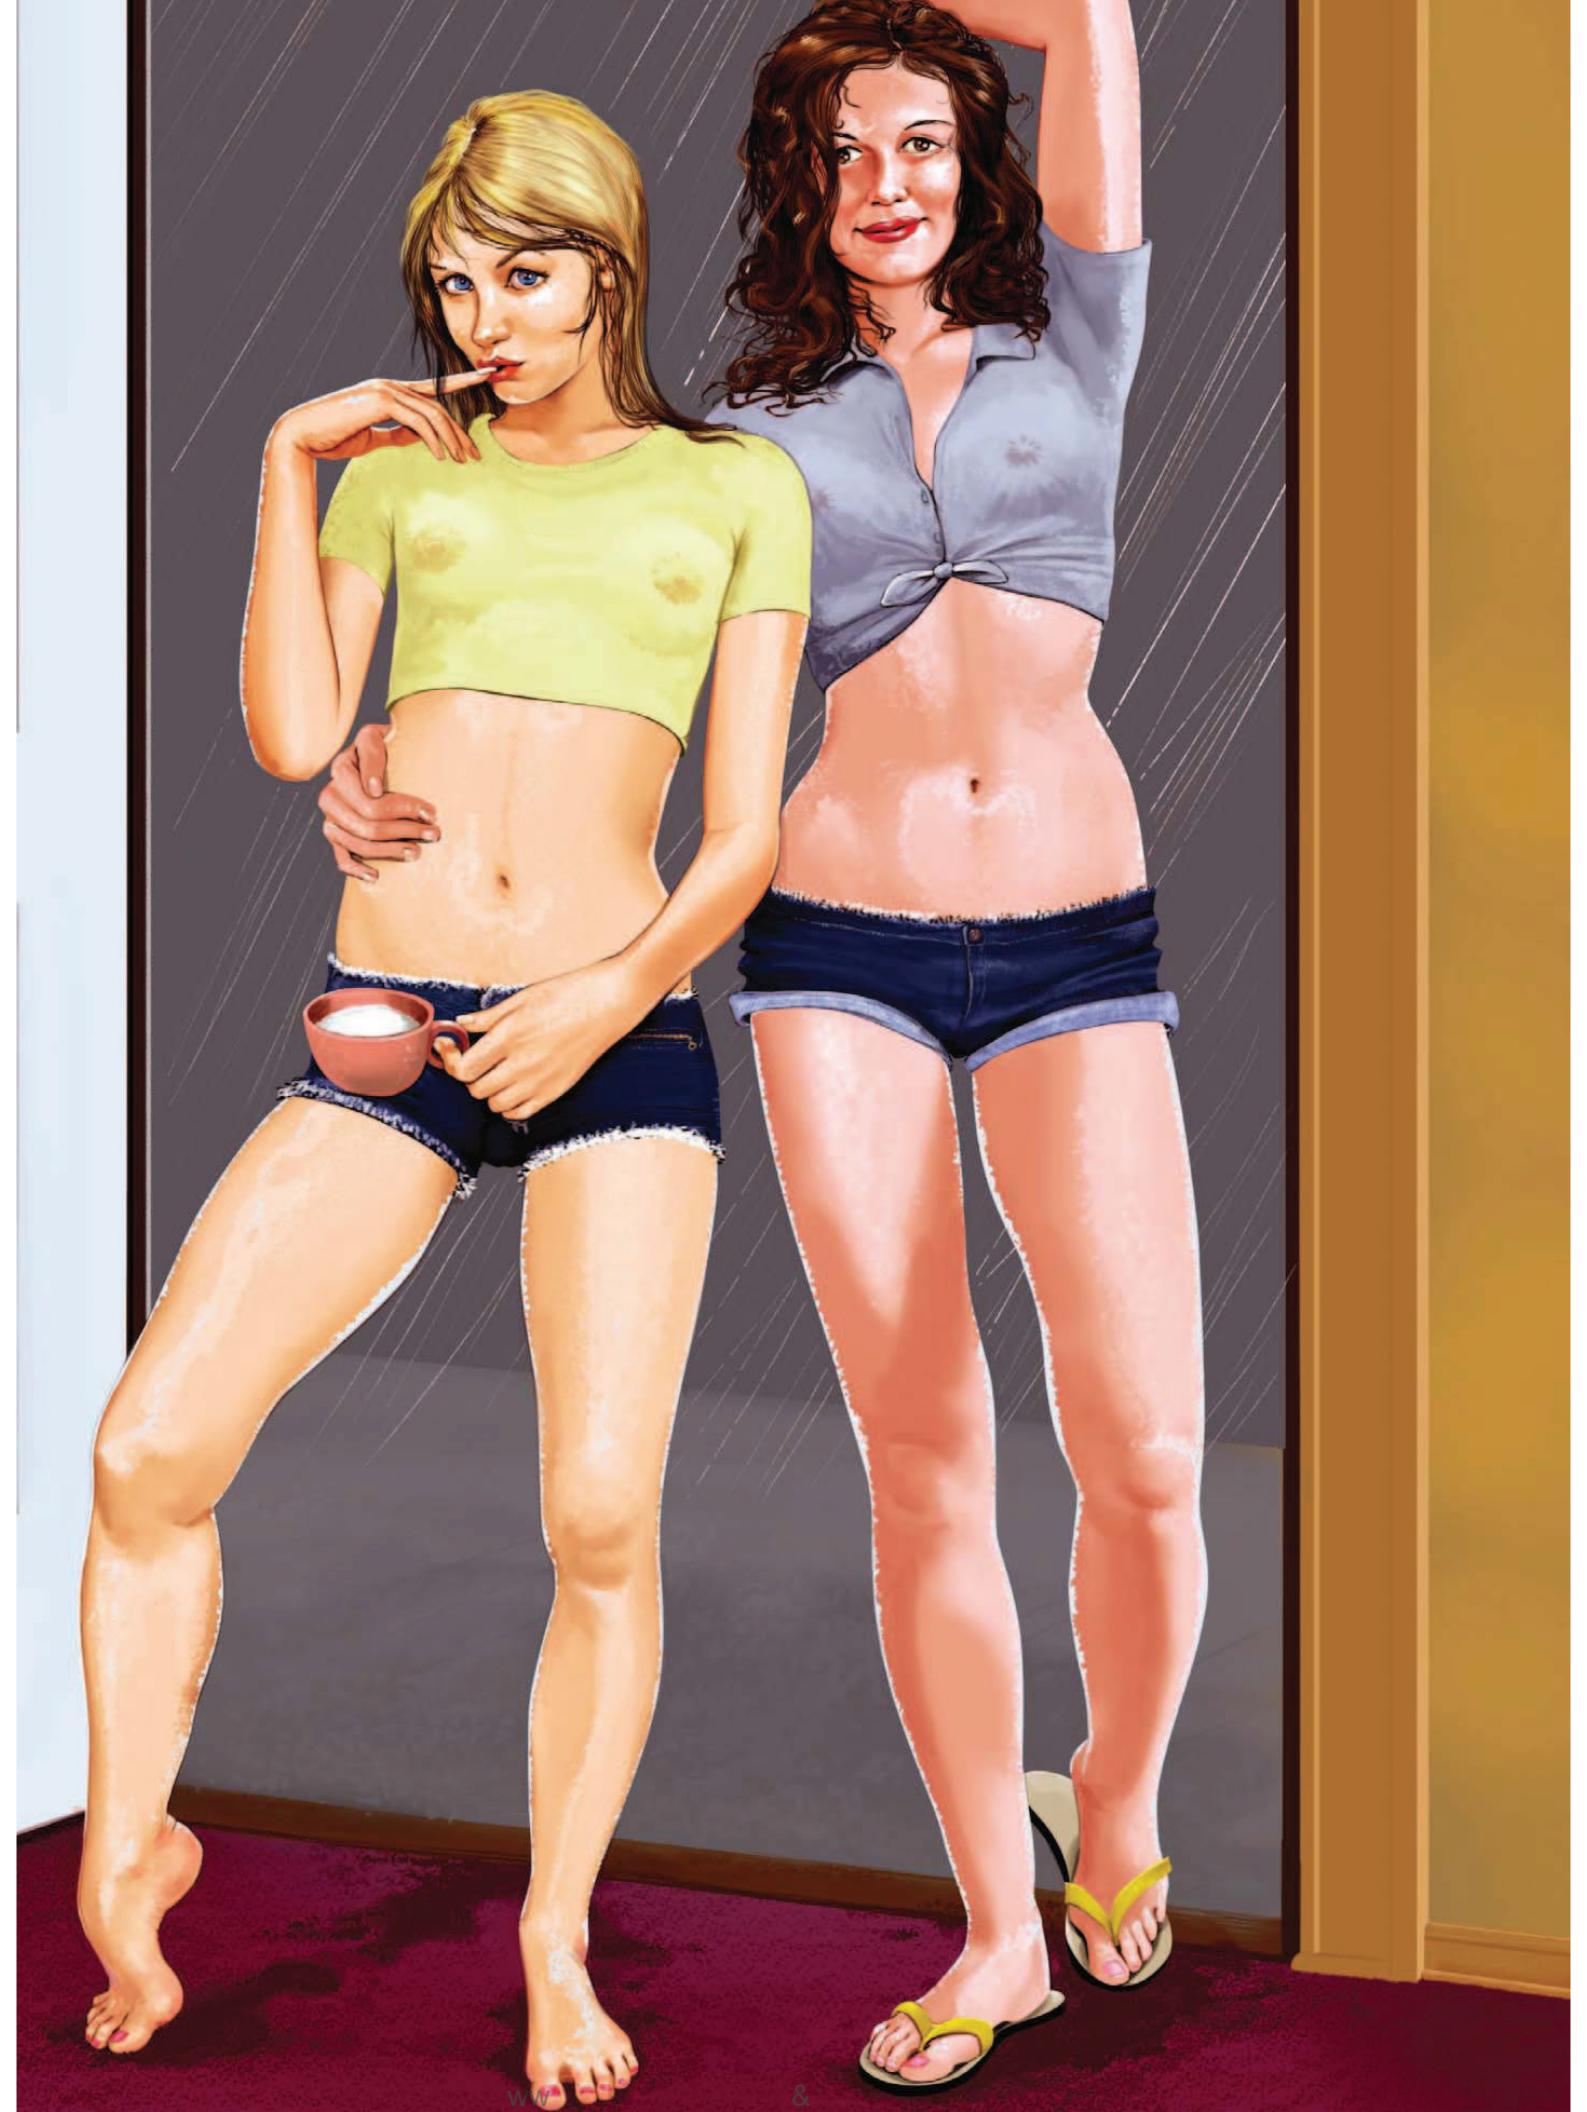

When a rare thunderstorm threatens to ruin a work-from-home accountant's afternoon, his sexy, teenage neighbors show up with a sweet surprise. After supplying the girls with what they need to whip up a batch of Toll House, they return the favor by showing him that he can be a true...

No doubt about it. I wasn't getting any more work done. Not today, with all the squealing and giggling and shouting going on next door. Certainly not with my dick in my hand, as I pumped my raging hard-on towards a climax destined to require multiple handfuls of Kleenex.

From my home office upstairs, I could see into my neighbors' yard, and watching that yard was a pretty regular occurrence. Heather, who'd turned 18 at the beginning of the summer, had been stringing out her birthday celebration ever since the big party. She had friends over pretty much every day, running around, enjoying the in-ground swimming pool and the warm, San Diego sunshine. Her family had moved in in early

February. I wasn't sure that I'd gotten much work done since...

More jerking than working, I thought, spitting into my palm and taking hold of my cock again. Heather, wearing a barely-there micro bikini and standing with her hands on her hips, her curly brown hair sparkling in the afternoon sun, was saying something to Lynn, her best friend. I thought about opening the window a crack to see if I could hear better, but decided against it. Heather had an unsettling habit of glancing up towards the house every once in a while, and even though I knew with the sun behind the house she couldn't see through my office window, it sent chills up my spine. Wouldn't do to have her dad knocking on my door, demanding that I stop ogling his daughter and her friends. He'd know in a heartbeat that I'd been jacking off while staring at them from my perch upstairs. Unless he was gay. With his daughter's gaggle of scantily-clad girlfriends around all the time, I was surprised the guy didn't have calluses on both palms from friction burn. There was Lynn, who never wore anything but belly shirts and her cut-off shorts, those big, plum-dark nips poking through her top. Jenna, who had the biggest tits of all of Heather's friends and was always eager to strip off her swollen tube-top to work on her tan. Diane, tall and thin, with her fire engine red hair and a world class ass, who

had a preference for one-piece suits, but wore them all about three sizes too tight. How did that guy not keel over from genital dehydration?

Lynn was already in the pool, tossing a beach ball to a girl I hadn't seen before. She was a tiny thing, maybe five foot even with B-cup hooters. More importantly, she was wearing a polka-dotted bikini bottom and a smile—nothing else. Diane had yanked off her bikini top as she'd run by on her way to the deep end. Hell, I wasn't complaining if she wasn't.

Lynn bounced up to swat the ball back, her halter top soaked through and nearly transparent. Her nips were stiff and stretching the fabric thin where they capped her mosquito-bite boobies. Lynn couldn't have filled an A-cup on her best day, flattie that she was, but god, those big, dark buds drove me to start strokin' at a rapidly quickening pace.

Heather cocked her head, glancing up towards my window, behind which I sat furiously jacking my prick, box of tissues balanced on the corner of my desk. Even though I knew she couldn't see anything—mercifully, because my arm was pumping like a piston in a race car's engine—my mouth went dry. Bad timing, because I needed to slick up my palm again. My cock was so hard it hurt, and I was close to blowing my load.

"You are so, fucking, hot," I said aloud, soft enough so as not to steam up the window. I hated when that happened. I couldn't risk wiping the fog away to see better. Plus, I already had both hands occupied.

"When are you coming in?" Diane prodded Heather, but all I heard was, "When are you cumming?" Lynn giggled, and tossed the ball Heather's way. Without turning away, and still looking in my direction, Heather reached

behind her back, undid her bikini, and tossed it onto the deck, before plunging into the water and splashing her friends.

That was it. Despite a rapidly drying right palm, seeing Heather drop her top and toss it aside, almost like she knew I

was watching her, sent me over the edge. My knees jammed beneath the window sill and I quickly scooped out a stack of tissues. I barely had time to cover the head of my dick before a hot jet of jizz splashed into the Kleenex. My chair rolled sideways until one wheel came off the mat and jammed to a halt in the carpet. Like I noticed. I nearly pitched over, my orgasm soaking through the gummy clump of tissues and making a mess in my hand.

Outside, Lynn was practically shrieking. I leaned in towards the window to see what was going on. Diane and the girl whose name I didn't know were tickling her in an attempt to get the ball, with Lynn doing her best to play keep away. Her jutting caps were as big as saucers. The other girls kept tickling, Diane's pink-tipped fingernails dancing up Lynn's side. I felt my crotch muscles tighten involuntarily.

Next time, I was going to stock my office with paper towels.

Iburned my corporate client's quarterly tax reports onto a CD and settled back in my chair, glumly turning toward the window. Rain spattered the glass, running streaky down the pane. Water, but no water follies below. Drought be damned, why couldn't it have waited to rain until I was out of town?

I was sitting there, wondering if it wouldn't be better to catch up on the work piled on my desk, when the doorbell rang. I didn't know who it was, but took it as an omen and shut down the computer. Even without a gaggle of topless teen nymphettes prancing around next door, I figured the afternoon was pretty much shot.

The doorbell rang again. "Hang on!" I called out. "I'm coming!" Not the way I wanted to be cumming, though, I thought, wallowing in my weather-induced misery.

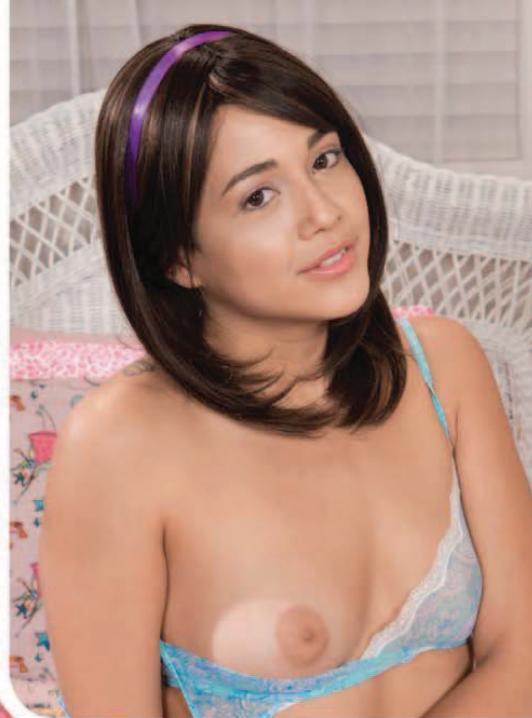

I yanked open the door, expecting to find Max, my mailman, there with a package for me to sign for. Instead, recognizing my unannounced visitors, I squeezed my doorknob so hard I half-expected the brass to crumble.

"Heya Mr. Cullen," Heather gushed, stepping in and walking right past me. Lynn trailed behind her. Both were damp from the rain. Lynn was wearing her trademark

HOT CHERRY PIE

"I just started shaving my pussy!"

No one has been in Abby's nether regions yet, but she wants to make sure she's fully prepared for when the moment happens. "My girlfriends saw me naked in the gym shower and told me I should shave my bush if I ever expected a guy to go down there."

Abby's liking the new sensations.

Shaving your pubes off for the first time is kind of like getting a dramatic new haircut. You feel like a different person—more confident, outgoing and in this case, horny. "My new bald pussy took some getting used to. I was used to having a little bush there to play with! But it wasn't too long before I started liking the clean look between my legs and the smooth feel. I realized that my pussy looks good bald, and it feels more sensitive, too! Everything tickled and tingled down there. Even my panties felt good pressed against it. I can't wait to feel a tongue on it. I've heard that guys like to do oral on girls who shave 'cause the hair doesn't get in the way. Well, I'm all ready for them!"

This cherry girl has been preparing for her first time in other ways, too.

Even virgins know there's more to sex than just opening your legs and getting stuffed. That's why Abby has been practicing her blow job skills on a dildo. "I want to make sure I'm well-rounded!"

That dildo hasn't only been in her mouth.

"Well of course I use it on myself! It's the closest thing I've had to sex so far. Aside from making myself feel good, I use it 'cause I want to see what it's like to have something hard and long filling me up and moving inside of me. I have lots of fun with it, but I'd prefer the real thing already."

"I'm happy to say that I'm a recovered prude."

It's a common trait with virgins. They freeze like a deer in headlights the first time a one-eyed trouser snake stares them in the face. They're afraid to touch it or suck it, and when it comes to fucking they're stiffer than a plank of wood. "I was terrible when I first started having sex. I would just lie there and not do anything. I guess it was 'cause I was nervous. But I am so not like that anymore. It took me a little while, but I finally met a guy who was able to get me to loosen up when it came to sex."

Tell us how he managed to do that.

"He reassured me that I had nothing to be nervous about, and that sex is about having fun. Mind you, at this time I didn't even like to take off my bra during sex! I realized he was right and threw all my inhibitions out the door. That night I tried a whole bunch of new positions and moaned really loud and had the most intense orgasm."

"Watch the cum drip out of me."

Now dirty talking, hard poundings and creampies are all Michelle's sexual protocols. "I only do creampies with my boyfriend, and they're so awesome. I love the feeling of a guy cumming inside of me, like when I can feel his cock throbbing with his orgasm and all his hot jizz filling up my pussy."

belly shirt. This time, it was something stretchy. Lycra or Spandex. The water beaded on it in places, but where the water had seeped into the fabric, I could clearly see the outline of her large, bumpy areola.

Heather was wearing a shirt with the tails knotted just above her belly button. Her smooth, flat tummy was spotted with droplets of moisture. A bead of water slid out of her belly button and trickled down into the waistband of her denim shorts. Both girls wore the same bottoms. Short-shorts that looked like they had been scissored to out-do Daisy Duke, covering just enough cheek not to be a denim thong. Heather's long, shapely legs tapered into a pair of yellow flip-flops. Lynn had opted to show up barefoot. My heart began to race. Lynn even had pretty little feet.

"Uh, hi girls. What can I do for you?" It sounded like an alien had taken over and was speaking for me. They were both standing there in front of me, dressed. Well, semi-dressed. But all I could see was how they looked the day before, topless and playing around in the pool. Dry-mouthed, I watched another droplet of water disappear into Heather's tight cutoffs. My cock was getting hard, and I could feel it growing inside my pants. I hoped it wasn't as obvious as Lynn's jutting nips. The fabric was stretched so tight across her nubs that the halter looked molded to her tits.

"Sugar," Heather explained, holding up a measuring cup I hadn't noticed. "We decided to bake cookies, since we couldn't go swimming. But we're out. Can we borrow some?"

A neighbor needing to borrow a cup of sugar. More accurately, half-naked, wet teenage neighbors. Something about that struck me as odd. But I couldn't put my finger on it. Did I even have sugar? I thought so, in one of the kitchen cabinets. I think I used it to fill a sugar bowl once a year around Christmas, for guests. I hoped it hadn't turned to rock as I invited the girls to follow me inside.

Rooting around, sure enough, in

the cabinet over the sink I found what I needed. Heather put her empty measuring cup on the counter and I took down the bag, pouring some rather lumpy sugar into her cup.

"All you need is one?" I asked, wondering how they were going to tote it back in the rain. It didn't make any sense. I thought about giving them the whole bag. Maybe I could even carry it back for them...

"Uh, that's probably more than we need," Heather giggled, pointing. I

Heather wasted no time, chowing down on my sugar-coated cock and wrapping her lips around my tip, slowly working her way along my shaft.

hadn't been paying attention, and had poured about three cups of the white stuff into one cup...the rest had spilled all over the counter. Lynn leaned close, her saucerlike buds poking me in the arm. I gulped, feeling like an idiot.

"Oops," I said, putting the bag down and looking for something to scoop up the spilled sugar. While I was turned away, Heather grabbed my zipper, undid it, and yanked down my pants. It happened so fast, I couldn't even react.

Before I could say or do anything, Heather grabbed my cock, worked up a mouthful of saliva and puckered her lips. Focusing on the head of my dick, she proceeded to drool all over it. I mean all of it. My cockhead, my shaft, all the way down to my balls. Lynn, taking her cue, picked up the measuring cup, and began pouring the content onto my spit-dripping pole.

Heather wasted no time, chowing down on my sugar-coated cock and wrapping her lips around my tip, slowly working her way along my shaft. Lynn removed her top and stuck her middle and index fingers in my mouth. When I'd sucked them good and slippery, she teased her erect nips even harder, before scooping up handfuls of sugar and letting the white crystals run down her chest.

I pulled Lynn into my arms, Heather raunchily sucking my dick

while I tongued sugar off Lynn's improvised snow-caps. She laughed at first, but then started to moan as I twirled my tongue around her discs and ran my teeth gently over her fleshy pads. Lynn ground her crotch into my hip, leaving enough room for Heather to continue her high-calorie blow job. Palming Lynn's ass, I forced her into my side. Soon, her grinding left a wet spot on my upper thigh.

"You were right, Heather," Lynn said, breathing heavy after we'd shared a long, french kiss. "This is better than going in the pool!"

"Mmmmm-hmmmm," Heather agreed, her mouth stuffed with cock. I was buried so deep that I could feel my tip dragging across the back of her throat. During the tongue-kiss with Lynn, I'd learned something. Heather had had her tonsils removed.

Heather gagged a little as she gulped down toward the base of my shaft. I had one hand resting on the back of her head, threaded through her curly, brown locks. Since my other hand was on Lynn's ass, she'd taken it upon herself to urge Heather all the way down to my nuts.

"Go on, baby," Lynn encouraged her. "You can do it. Suck it, babe, I wanna watch him fuck your mouth 'til he bottoms out."

Fuck her mouth I did. Strands of drool dribbled down Heather's chin and fell to the floor as she struggled with the last two inches of my meat. Lynn pried her twat off my hip and stood behind her friend, guiding Heather as she worked to take the rest of my shaft. I leaned back, gripping the counter for support as Heather noisily deep-throated me. Her cock-sucking was spectacular. When she came up for air, her small fist wrapped around me and then she was back, taking every inch of me while Lynn dirty-talked the details. I've got a pretty good-sized knob, and as Heather gurgled and chuffed around it, I could feel the tide of jizz rising in my balls.

"Oh, yeah, Heather, you're there, baby, you're so there!" Lynn exclaimed, and Heather pulled her face back, her chin pasted in sugary saliva. She grinned up at me, cupping my heavy scrotum and giving it a squeeze. Her lips formed an O again

Destiny FLATTIE LUST

"Having little tits is so much fun!"

We totally agree with Destiny on that one. It's no secret that *18eighteen* guys are fans of flatties, but sometimes teen girls don't realize that not every guy wants a busty chick. There are guys who like tiny tits, too! But Destiny is confident with her A-cups. "I don't care about not having big boobs. I like my little, perky tits. They're cute, and I don't have to wear a bra or anything. So flashing guys is easy because I just lift up my shirt and there they are!"

Do you flash guys often?

"No, not that often. Really, the only times I've done it have been on the bus. I sit in the back and flash the cars behind us. I press my boobs up against the glass, too. The drivers always go crazy and start honking and waving. That's how I know that there are guys out there who like girls with little tits!"

That's not all she does back there.

Destiny's stop is the last one. As the number of riders dwindle stop after stop, she lets her naughty side loose. "I think it's time that I had sex already, because I'm getting a little too crazy with the masturbating. I've started doing it on the bus! I think the bumpy ride kind of turns me on or something. That, and there's this guy that I have a crush on who gets off on the same stop as me. He always sits in the front, but I wish he'd come sit in the back with me."

&

What do you do while you're back there?

"I mostly just rub my clit while I stare at the back of that guy's head. It's funny how I have enough nerve to flash random strangers but I'm way too scared to even talk to him! I never finish on the bus; I save that for when I get home. I get out my favorite vibrator and think about having my first time with my crush."

THEY COME IN THREES

Three has been lauded as a mystical number for centuries and a growing number of people find that the magic extends to the bedroom.

By Pauline Worth

Kim's sexuality has always been open-ended. The spunky 22 year old is full of energy and like so many girls her age—busy! “Between school and work and friends it’s so hard to maintain any kind of relationship. I’ve found that I enjoy girls sexually, but the ones I’ve ‘dated’ tended to become very needy very quickly,” she says, but is quick to point out that the boys weren’t much better. With her looks—long legs, wide baby blues and a sassy strawberry-blonde mop of hair cut just above her shoulders—“they would get jealous and moody about where I was going and who would be there. That sort of thing. It got old fast. Right now all I care about is having fun.”

In any case, Kim didn’t have much time for either in her life, so she made a commitment to stay single for a while. This, however, left her with one not so small problem—her voracious sexual appetite!

“I’m like a guy. I am horny 24/7,” she says, unashamed. “But even though I don’t want any kind of commitment, I don’t want to just be out there looking to hook up in bars and clubs all weekend. I like to go dance with my friends and stuff, but that’s totally not my scene! You never know who you’re going to meet. And I don’t want to fuck just *any* guy. I do have standards, you know.”

Enter Chris and Robyn, both 29. They’re a happy, young, married couple who share many things in common, including a taste for sexual adventure. “I love my wife, first and foremost,” says Chris, stroking his wife’s café au lait-colored calves as they lay across his legs. They are sitting together on a small sofa. “But there are things I like that she’s not interested in doing...” he says, trailing off.

“And there were things I hadn’t done that I really wanted to try,” she says, smiling, gazing hotly into his eyes. It’s like they’re talking to me, but I’m not even there. “Things that Chris couldn’t do, couldn’t be.” She turns to face me. “We realized that we needed another girl in the bedroom.”

Chris follows hot on her heels. “One who really liked anal.”

LOVE PLUS ONE

Chris and Robyn weren’t interested in becoming swingers or swapping partners. They just wanted a new sex toy. A living, breathing one. And they’re not alone. Many couples are finding that despite the old saying, three is hardly a crowd. In fact, it’s more like the company the 1970s sitcom promised, no matter the configuration.

In Chris and Robyn’s case, amid the very long list of fun things to be had when two women and one man share a bed, there were a couple of specifics. Robyn, who had never been with another woman, wanted to try her hand (and lips and tongue and other parts) at it. “I’ve always wanted to try eating pussy,” she says. Chris, who was turned on to the joys of anal with a previous girlfriend, was all about getting back in the back door. “I’m just not into that,” Robyn adds. “I don’t mind a little tickle, a finger, a tongue...mmmm, I actually LIKE

tight, but they seem quite comfortable leaning on one another, touching throughout the interview. You can see the electricity flowing as they speak, the arousal growing. Once settled, Kim begins their tale.

“We actually met at the gym,” she says, laughing. “It sounds so lame, I know, but it’s true.”

Kim and Robyn now share a fondness for Robyn’s husband, but at the outset their friendship was founded on a mutual love of spinning. “Kim always took the bike right in front of me at the gym and I couldn’t help but check out her ass when we did the climbs and she came up off the seat. I mean, it was right in my face! And she has once of the nicest, roundest asses that I’ve ever seen.”

After a few classes, the two began to recognize one another and would chat before and after class. A friendship developed. Kim knew nothing of Robyn’s ulterior motive and the relationship moved along quite organically. “I didn’t want to start something sexual, something that would ulti-

that, but my husband’s big, fat Johnson is just a little too scary a prospect in my tight rear end.”

Chris winks and smiles. “I figure if she watches me do it right, to someone who really likes it, maybe she’ll want to experiment...Hey, you never know, right?”

Robyn shoves him playfully. “I’ve seen it. It’s not gonna happen!”

Just then, Kim strolls in to join them on the couch. They separate, allowing her to sit between them. The fit is

mately involve the man I loved, with a girl I didn’t like and respect and trust,” says Robyn.

“My standards were admittedly lower,” adds Chris, laughing. “Kim was nice. My wife liked her. She had a hot ass. An experienced hot ass. What can I say? I’m a guy.”

The trio’s first interlude was only semi-planned. “We’d had some spicy girl talk over wine late one afternoon after the gym,” says Kim, brushing a lock of hair from Robyn’s face as the

"She was yummy."

three sit cozily on the sofa. "I found out that she'd never been with a girl and she found out that I had, which made her curious. She started asking all kinds of questions...and then at one point, we kissed."

The chemistry, they both say, was there from the get-go. "Robyn is so sexy," Kim says. "Her beautiful, shiny, dark hair, her creamy skin and her sexy, brown nipples that get so hard when I lick them..." She pauses, laughing. "But I digress. Right after we kissed, she told me about her husband, their relationship, what they were looking for and also that she really loved hanging out with me..."

Robyn cuts her off. "We were getting to be such good friends, and if she didn't want to be involved with us in that way, I wanted to stop it right there because I liked her. I liked our friendship and didn't want to ruin it."

"Meanwhile, it was like I won the lottery! I let her know I was totally

onboard and that was it, we just started making out all crazy."

The pair kissed for a while on the couch in Robyn's house. Chris was out with a friend at the time. "It gave me time to get to know Robyn's body," Kim recalls, flushing with the memory. She is visibly aroused, nipples poking provocatively through her thin, white tank top. "We'd hit a really wild spin class beforehand and I have to admit—I like a little gym-funk," she says with a giggle. "It makes the taste and scent of a girl a little stronger. I wanted to get between her legs. I wanted to watch her get between mine knowing it was going to be her first time."

Kim leaned in, easing Robyn's snug sports bra over her head, bending over to taste those taut nipples. "It was heavenly," remembers Robyn. "A girl's tongue, a girl's touch. I had

wondered for so long what it would feel like, and I wasn't disappointed. My slit was soaked just from the kissing. By the time we started getting naked I could feel it dripping against my panties."

A short while later, the two were naked on Robyn and Chris' California king. Robyn's long, lithe legs were spread wide, her head propped up on soft pillows, watching a beautiful, young girl's tender lips eat her for the very first time. Kim remembers looking at her pussy for a long time, kissing it, teasing her, before diving in for a good, long, deep taste.

"Oh, my God, she drove me crazy," Robyn says excitedly.

"Let me just say that Robyn has the most beautiful vagina in the universe," Kim states flatly.

"I concur!" says Chris, chiming in.

"No, really," Kim continues, "It's manicured—this beautiful, almond-colored mound of soft, swollen

flesh—with a lovely, small, dark brown bush that grows so symmetrically..." She trails off, smiling. "I know it sounds ridiculous, but it looks like art. Then you spread it open and the taste, the smell, the beautiful wet folds inside are like sugar." She pauses, hand to heart, and smiles. "I swear I want to peel her panties off right now and show you!"

"Um, no! Save that for later." says Robyn, blushing with a mixture of pride and embarrassment.

That first day, though, back in Robyn's bed, she was hypnotized by the sensation of Kim's mouth exploring her sweet, swollen nether-regions. She admits that she loved the way her husband licks her, but there was something so exquisite and soft about Kim's touch, something so feminine. And as she came hard, her hands all caught up in Kim's hair, pussy pressing up against the vibrations of her partner's 'mmmmms' and 'aaaaahs' as they emanated from her syrupy, sticky sex muffin, she realized that she wanted to give Kim the same pleasure. She wanted to drown her nose in that girl scent, indulge her tongue in that girl taste.

"After I came, there was no cuddling," she laughs. "I was so hot for her, my pussy was still pulsating with the hottest orgasm and my thighs were wet like I'd been swimming. I just took a header down between her legs. I couldn't wait to see that blond muff up close, to get my lips around her hard, little clit and suck it just the way I liked mine sucked."

"She was totally ravenous," Kim remembers. "It was so hot. And my cunny was already dripping honey; I got so turned on making her cum. She had my button in her mouth and was kissing and licking it, and I had my hands on her perfect, little ass and then, all of a sudden, the bedroom door swings open!"

"Honey, I'm hooooo-ooome," Chris yells in his best Ricky Ricardo. It was a good tension-breaker. "Seriously, though, it was insane," he says. "I mean, I wasn't completely shocked, because I knew that Robyn had been hanging with this girl. I'd heard about her, we'd talked—but at that specific moment, my jaw hit the floor and my cock shot to the ceiling, and I'm surprised one or the other didn't get

snapped off in the collision."

Of course, Robyn's head snapped up—shocked and surprised at first. "For a second," she laughs, "I felt like I was caught cheating, even though somewhere in my head I knew it was all fine!"

"Let me clarify," says a smiling Chris, "I Was. Not. Mad."

Brief but humorous and sexually charged introductions were made, and then Robyn returned to her task, sweeping her dark curtain of hair aside to allow Chris, leaning in the doorway, still wearing his clothes, to take in the Sapphic scene unfolding on his bed.

"It was the perfect thing to come home to after a day of work," he says.

Robyn was teasing Kim's clit, sucking on her peachy-blonde mound, even delving a delicate finger below, rimming that tight ass, warming her up for what Chris had been longing for. Kim was more than eager and got up on all fours, sticking her perky butt in the air. Robyn was behind her, sliding a long middle finger in and out of Kim's pussy, where the juices were making sexy wet sounds as the digit delved and retreated. She beckoned her husband to join the party.

Chris pulled his shirt off as he moved toward the bed, leaning in to kiss his wife deeply, his hand reaching for the round apple cheek of Kim's tight bum. His cock sprang forth from his shorts, rigid and arcing, and Robyn grabbed it, rubbing the head against the soft, soaked egg of Kim's swollen Mons Venus. She pressed back, enjoying the slippery friction, and Chris took over, moving the slick head up to the tight pucker of her ass.

Robyn repositioned herself beneath Kim, her face once again pressed into the delicate wet bush, tongue searching out that ripe cherry, fingers exploring Kim's tunnel, while her husband began to ease the fat head of his dick into Kim's ass.

"My ass, my clit, all the sensations," she murmurs, lost in that memory—very obviously thinking about making more of them, and soon.

Kim's moans grew louder and louder as Robyn kissed and licked her and Chris' pole penetrated deeper and deeper. Robyn reached down to rub her own clit amid the excitement of this longtime fantasy-come-to-life.

Chris pushed slowly, his cock constricted by the incredible pressure deep inside Kim. The three moved as one, slowly, excruciatingly, until with Kim's final low, loud moan of pleasure, they all began to shake and climax at once. Chris began to withdraw, escalating Kim's orgasm (and in turn his) and his semen showered over her quivering ass like a fountain.

"It was definitely something else," he says.

Since then the couple has had regular interludes as a threesome and Robyn and Kim still enjoy their gym time. "It's a perfect relationship," Kim says. "The most sexually satisfying, the easiest and most undemanding that I've ever had. For now, it's the ideal situation."

BETWEEN A COCK AND A SOFT PLACE

"It was hard," says Stephanie, "admitting to myself that I needed a man to satisfy me in bed. I had grown up thinking there was a good chance I was a lesbian. All of my early sexual experiences were with girls. All of my romantic relationships have been with girls. They were all I knew."

The sex, says the petite 25 year old, was nice. "But even when I was deeply in love, there were no gigantic fireworks going off." She twirls a lock of her long, wavy, light brown hair absently, searching her memory banks. "I came sometimes, and that was good, so I never really realized anything was missing, so to speak. But sex wasn't like what I saw in movies or read in books. I wished it was, but I figured those were movies and books—no one must really have sex like that."

After a few weeks of flirtation, Stephanie fell into a casual sexual relationship with Daisy, an adorable Korean waitress at the restaurant where she worked as an assistant pastry chef. "We were friends. It was pretty relaxed and easy and fun. We liked each other, and she's just so beautiful...shiny, black hair and a great smile, tiny rosebud breasts, a small, silky sprinkling of hair on a beautiful, smooth pussy...she was so yummy."

Even so, Daisy—who is bisexual—sensed there was something missing from their bedroom romps. "Daisy played darts with a bunch of people every Thursday night and there was this guy she told me about. Danny. She thought he was funny. I went with her one night and you know—he really was a funny guy. And after two beers," Stephanie laughs, "he was hilarious!"

Stephanie didn't have any hang-ups. "I wasn't in love with Daisy, so I didn't think I'd mind sharing, and I have to admit—I was curious. I figured, 'What the heck?'"

The three fell in the door with their hands, lips and tongues mingling. "He was a good kisser. Honestly, it was the first time I'd ever kissed a guy. I was totally surprised how turned on I got making out with both of them at the same time.

"I licked Daisy's pussy while he watched. He was up on his knees on the bed, stroking his dick—which was really impressive, bigger than some of the vibrators and dildos I like to use. Something about watching him pulling on it was so hot, so primal. I was wet from all the making out, from tasting Daisy, from watching Danny. I was amazed. His cock was getting me so hot. I wanted him to fuck me. And I told him so."

Stephanie lay back,

"His cock was getting me so hot."

head on the pillows and Danny moved on top of her. "Missionary position," she says. "It's how I wanted to lose it. I guess you could say I wanted a 'traditional deflowering'."

Danny took it slow, stroking her hair, whispering in her ear, kissing her softly as his fat, rigid cock gently pressed against Stephanie's labia. Her lips parted wetly to accept him. "I'd been fucked many times before with dildos," she says, "but this just felt so much better. It felt real. It felt natural, hot, alive. Deep in my pussy, sliding in and out, it felt like what it was, I guess—precisely the instrument that was supposed to be in there."

Her hips strained to meet his as the thrusting grew more heated. Stephanie was reeling from the new sensations. "Having a man on top of me, holding me down in a way—it was so primal and sexy—and his cock was hitting all kinds of sensitive places inside me. I was creaming. I mean, creaming. It seemed like I had a whole new body. And when I came, I bit down on his shoulder and the convulsions didn't stop for minutes. All the while, he kept pushing that incredible cock inside me. It was, I hated to admit it at that point, the absolute best sex I had ever had."

And so, from there on out, Danny has been her unofficial 'boyfriend.'

"Daisy and I are regular, but still casual with each other," says Stephanie. "I find I still tend to enjoy her company more, want to date her,

to go do fun things with her. But when it comes to the sex, I'm thinking about Danny's fat dick all the time." She laughs. "I'm hoping it might just be a phase I'm going through."

TWO COCKS—NO BULL

Vince didn't like it at first, says Rory, but she explained from the beginning, on the second or third date, that she's not someone who likes being tied down. "Unless I ask," the Italian-American beauty jokes flirtatiously, batting long dark lashes. "Vince is sexy. He's just my type, except for the jealous streak. Although I admit it is a small turn-on to have him wanting me so much, wishing I was his and his alone."

Turn-ons notwithstanding, Rory knew from the start that while she wanted very much to hang onto Vince as her first-string quarterback, "I was really looking to field a very small, exclusive team." And though Vince whined a little bit when Rory introduced him to Jake, his devotion, and curiosity, allowed him to agree to try a threesome, since it was a longtime fantasy of Rory's.

"It was sort of weird for Vince," Rory told me. "I knew that. And there was a bitchy little piece inside of me that enjoyed making him crazy. Something got me hot seeing his face looking tense while he watched me kiss another man, make little sounds when he did something that I

No one was sleeping at this slumber party.

Typically Star and Cali spend their slumber parties gossiping, brushing each other's hair, snuggling during movies and eating popcorn. But one hot night they decided to add pussy eating to their repertoire of slumber party activities. "Neither of us has been with a guy before, and we were both tired of waiting to fool around. So we just did it with each other. After all, girls know what girls like," said Cali.

How'd you girls end up fooling around?

"Well," said Star, "we've always been pretty affectionate with each other. I was brushing Cali's hair and we were talking about boys and stuff, and I just got this idea to kiss her. It couldn't be that much different than kissing a boy, right? And we both needed the experience. And then it just happened. I thought it was only going to be an innocent little kiss, but I guess both of us got really turned on. We started touching each other's boobs and taking off our tops, and before I knew it we were sucking each other's nipples!"

liked—the same noises he had heard me make for him."

On that first night together, however, Rory got a surprise.

"As Jake and I got more and more into it and the clothes started to come off, I could sense Vince backing away from the action for awhile." She figured it was jealousy. Or that the situation was really turning him off. "And then, when he sat down in the big chair in the corner of my bedroom and I saw him stroking a hard-on that was bigger and tighter and stiffer than anything I had ever seen him bring to bed before!"

Vince, as it turned out, really liked to watch his girlfriend with another man.

"Jake laid me down and licked my pussy," she explained. "My head was hanging over the side of the bed, my hair was falling to the floor and he was just going off on me, driving me insane and I opened my eyes and Vince was there, watching, stroking that huge cock slowly, but making a real effort not to cum. It got me so hot."

Then Jake got her up on all fours. "I love doggy!" she says enthusiastically. "And when we started going, Jake came up to me and crammed the head of his big fat cock right in my mouth! And he started talking dirty! He never did that before!"

"Yeah, you like two big cocks don't you?" he was saying, and even giving Jake directions on what to do to me and how I liked it—which was actually sort of helpful since I couldn't talk at the moment!"

Once she realized Vince was onboard for the ride for real, it was playtime. "That feeling of two guys on either end of you, inside you, sliding in and out was so hot," she says.

"Jake's dick wasn't as thick as Vince's, but it was long. It went really deep. And he leaned around me, tickling my pussy with his fingers. It was nice. Then I could taste the pre-cum oozing out of Vince—he always tastes so sweet—and the whole scene was getting me off. I started to cum."

When Rory cumms, she shakes. A lot. "My shaking just set them both off like dynamite. Before I knew it, Vince's cream was gurgling at the back of my throat. I couldn't swallow it fast enough—and I could feel Jake's cock convulsing, shooting that wad deep inside me. I swear I was waiting for them to high-five at the end. They had definitely bonded."

Jake, admits Rory, is really an add-

on. "He's nice. And he's totally hot! But Vince is the guy I like spending all the rest of my time with. And now he really knows that the extra cock is just about the sex. And I really know that he's a horn dog who likes to watch me suck another guy's dick."

And that, she says, is totally fine with her.

Kitten SUPERLATIVE SLUT

Everyone has their own spe- cial talent.

Every year student councils meet to decide the year's superlatives: Most Popular, Most Likely to Succeed, Most Athletic, Class Clown, etc. At Kitten's school, she's number one in an unofficial title. "I was voted Best Blow Job. I was up against some other girl who thought she was better than me 'cause she doesn't have braces, but she was wrong. Girls with braces can still give good head. I've gotten lots of compliments on my oral skills, and I know I can make a guy cum with my mouth."

Isn't democracy great?

Judging by what Kitten told us, this vote certainly wasn't rigged and the award went to the most deserving contestant—Kitten! This brace-face cutie put the time into mastering her craft and she came out on top. "I learned how to give really great head by practicing all the time on the guy I went out with for a while.

Sometimes I would just suck his dick for an hour. He really liked it when I would suck his head and circle it with my tongue, then go all the way down till it tickled my tonsils. And I always made sure to play with his balls and suck them, too. Me and him broke up, and I started giving other guys head. I just kept getting better and better at it!"

&

The future looks bright for Kitten.

She thinks she'll be even better at giving blow jobs once she gets her braces removed. "I learned how to not let them get in the way. I'm sure without them there I'll really be able to go crazy with my mouth."

What about sex?

"I love it! They didn't do any votes for the best fuck at my school 'cause there's too many sluts here, but I would've won if they did."

Laundry time is the best time to get lewd.

Mila might be able to clean her clothes, but she's still a dirty girl. You can't wash something like that away. Her inhibitions are few and her desires are many. She's fulfilling one of her fantasies by posing nude for you. "I had so much fun taking off my clothes for you guys before (Mila also had a lay-out in July '08) that I decided to do it again. It made me realize that I'm an exhibitionist. I was always the first girl to want to go skinny dipping whenever there was a pool nearby, and the first one willing to flash her boobs and butt while riding in a car. I just like being naked and I like other people seeing me naked. So I figured the guys in your magazine would like to see me doing something normal like putting my clothes in the wash. And a lot of the time I do get naked when I do the laundry 'cause, well, all my clothes are dirty! And of course being naked makes me horny. Even if I'm not fully masturbating, I'll always be playing with my boobs or pussy in some way when I'm naked. I'm just a very sexual person."

She's used to big loads.

And we're not just talking about laundry loads. "The guys I've had sex with know me as the facial girl. That's 'cause I always tell them to cum on my face. Even if we're having sex I tell them to pull out and blow their load on my face. But if they really want to cum in my pussy, that's okay, too."

&

She's been getting hornier by the day.

"I don't know what's wrong with me lately. I'm even hornier than usual. I'm masturbating all the time and I'm constantly craving sex. Guys better beware because I'm ready to pounce on the next guy that flirts with me. The other day I even rubbed one out while sitting by my window and watching my neighbor mow the lawn. He's an older guy with a bald spot but for some reason I've become really attracted to him. I wouldn't mind taking one of his loads!"

around my shaft, and she shook her head from side to side as she prepared to finish me off.

"My turn," I said, wrapping my hands around the back of Heather's head and taking over. Now, it was my rhythm she was sucking to, and she clutched my thighs, moaning and cooing as I fucked her face, thrusting my dick into her mouth like it was a pussy with a tongue. My balls smacked against her damp chin. She could tell I was about to blow, and when our eyes met, that confirmed it.

I was thinking about pulling out. I didn't know if she'd planned to swallow my wad or not, but I didn't have to make the decision. When my thigh muscles clenched, Heather took hold of my nuts and pulled me as deep into her mouth as she dared, and a millisecond later I erupted like a fucking volcano in her mouth.

Ballsauce blasted down her throat. I heard her chugging my jizz, trying desperately to keep up with it. I hadn't ejaculated like this in years. Maybe since I was a teenager. Four, five, six squirts of spooge and my balls showed no signs of running dry. Cum started to leak from the corners of Heather's mouth. She spluttered.

I pulled out, one hand still twined in Heather's hair, the other fist wrapped tightly around my junk. I jacked my final three shots across Heather's cheeks and nose, cum oozing between her lips as she swallowed the rest of my load. Lynn was captivated, watching me shoot all over on her best friend's face. Her eyes were almost as big as her nipples.

I swept the crap off my kitchen table, and hoisted Lynn onto it. While Heather wiped her face, I peeled off Lynn's cutoffs and panties, diving into her fragrant, teen mound. Lynn's pussy was creamy with excitement and freshly-shaved. I parted her puffy lips with my tongue, lapping up her flowing juice.

"Oh, yeah," Lynn mewed, reaching between her legs and tugging her sticky lips wide for me. "Lick it. Eat me out!"

Lynn's twat was tangy and drenched, and I tongue-lashed her clit

Kayla CHOCOLATE NIPS

Imagine what it would be like to walk around with a permanent hard-on...

That's kind of what Kayla feels like, only with her nipples. "I'm always hard! I think it's partly because they're very sensitive, and they get erect if even a breeze blows on them. And it's also because I'm constantly horny."

Good thing for padded bras!

Then again, maybe not. We'd rather see those nips poking out from her shirt than not. "The bras I wear are only slightly padded, and it's not to make my boobs look bigger. I'm not into false advertising. I'm just trying to hide my super-hard nipples. It would be a bit much to walk around hard like that!"

Maybe her nips wouldn't be so hard if she got off more often.

You figure that if her hard nipples are a reflection of her raging libido, that cumming more often would help calm her stiff dugs. But she was quick to dismiss that notion. "I get off all the time! Not necessarily with boys. I do it by myself plenty. But sometimes I do have fun with a cute bloke. It seems no matter how often I get off I still have dirty thoughts all day long. Even if I weren't as horny, I think I would still have the same problem because as I said, my nipples are quite sensitive. There's nothing I can do about it!"

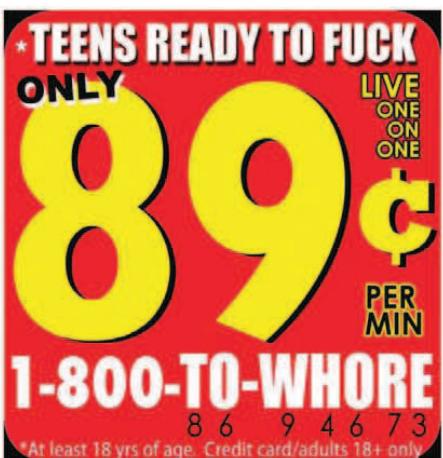

What do you think of that makes you horny?

"I usually have fantasies about blokes that I know. I wonder what it would be like to have my first shag with them and how big their willies are. In my head, it's always the best shag ever. I imagine that the both of us are so incredibly turned on that every little touch feels amazing and orgasmic."

NOOKIE MONSTER

Continued from page 78

until she was bucking off the table, her ass drumming a beat that was rattling the cabinets. And to top it off, she was a screamer. By the time her cunt cinched around my probing tongue, it sounded like we were filming a horror movie!

"Oh, god!" Lynn cried, grabbing me by the ears and pulling me nose-deep into her slit. "My cum! Drink my fucking cum, baby!"

Her quivering muscles loosened up just enough for me to continue working her fuckhole. Lynn rocked hard into my lips and chin, her greasy canal bathing my face in her love lube. Her twat sauce dripped onto the tabletop, ran down my neck and smeared the insides of her firm, tanned thighs. She managed to wrap one leg around the back of my head, locking me into place as I stabbed my tongue up her box, working her towards another roof-raising cum.

"NOW!" she howled, her back arching and her tunnel flooding as she climaxed. My mouth filled with her orgasmic discharge, and then I was up and gasping for breath, Lynn convulsing on the table beneath me.

"Ready for me again?" Heather asked, and with that, she wiggled her ass in my face, eyed my turgid pecker, and took a seat.

Heather eased herself down, using the arms of the chair, gently working herself down my pole. Watching that barely legal ass gyrate as my cock slowly disappeared had me raring to go. But Heather took it slow, one inch, then another, then she'd twist her hips some, like she was screwing my cock into her lovehole like a light bulb going into a socket. As I waited for her to touch down, I reached around and cupped her small breasts. Heather's tits were perky and slightly upturned, her nipples pink and plump, like jellied gumdrops. She gasped when I squeezed them.

Heather's ass cheeks hit my thighs, causing her to let out a moan as my prick danced across her G-spot. She let out a little hiccup of surprise, leaning forward a bit, and feeling it again.

"Ohhhh," she sighed. "That's it...that's the spot right there."

I wrapped my hands around her

narrow waist, and she angled forward even more, gripping the edge of the table for support. She looked over her shoulder, her face full of anticipation. I knew that look. It said, What are you waiting for?

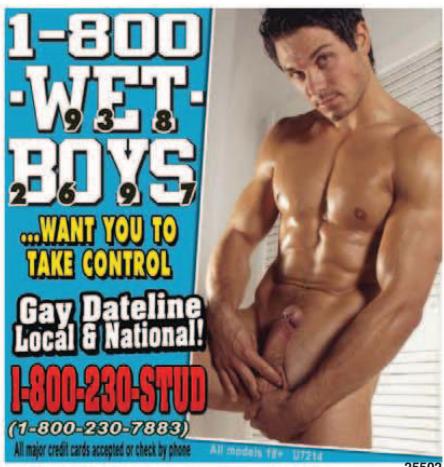

I raised Heather off my lap, and suddenly snapped my hips forward, driving my fuckstick balls-deep into her gash. Heather gasped with the ferocity of it, and I felt my tip nestle against the sweet-spot deep inside Heather's tunnel. I withdrew almost completely—nearly eight inches of iron-hard cock—and did it again. And again. With rapid fire thrusts, I fucked Heather from behind, eliciting first squeaks, then squeals, and then shouted pleas for me to fuck her, fuck her hard and fast and not to stop until she came.

No problem. I pulled Heather's legs apart, forcing her to rest her boobs on the tabletop. Now her calves were pinned around my waist, and I could go at her snatch with a rhythm, not having to lift her up each time.

Lynn had recovered, and, not wanting to be left out of the action, had slithered down to the edge of the table, positioning her slick crease up against Heather's parted lips. I'd long suspected the two were more than just friends, and now I was seeing the proof of it. Hardly a heartbeat passed before Heather opened her mouth and began sucking Lynn's swollen clit. Lynn was so turned on that I could almost see her button throbbing as she parted her folds for Heather's eager tongue.

I was staring right down into Heather's butt crack, her puckered asshole winking up at me as I drove my cock into her, feeling her jerk and tic whenever I poked her in exactly the right place. Several times she looked back at me as she got close, right on the verge of cumming. Lynn's syrup dripping down her face, her lips parted just enough for me to see the tip of her tongue. She'd close her eyes, hold her breath, and I'd slow my pace, wanting to draw it out as long as I could. I could feel the nut butter churning in my nads. I wanted to be ready when she was. The minute I felt her cum, I wanted to let loose on her.

With Lynn's cries of delight stoking the fires, I rammed my prick into Heather. There was no grace to it, just sheer, raw fucking. Heather pounded

her fist on the table, and I knew she was getting close, too. Lynn was fingering herself, Heather having to concentrate more and more on the drilling she was taking from behind.

"Make me cum," Heather whimpered, almost too soft for me to hear. "I want it soooo bad."

I couldn't help myself. I withdrew about half a dick's length from Heather's twat, and when I slammed it back home, I slipped my middle finger into her virgin ass.

"Ahhhhhhhhhhhhhhhh!" Heather cried, her head jerking out of Lynn's crotch. It was like flipping a switch from high gear into hyperdrive. Heather's climax came without warning. Instantaneously. As I fingered her back door, soupy girl creme gushed over my tool, and Heather went absolutely berserk.

For a moment, I couldn't tell if I'd shot my jizz up Heather's cunt or not. My balls still felt hard as walnuts, but it was so damned wet, I just didn't know. Then, I felt it. The telltale knot in the pit of my stomach that told me I still had a moment to bail out.

I did, just in time. A rope of semen blew out of my cockhead at light speed, splashing across Heather's back. I thought I'd been drained earlier, but I must have had a reserve stored up, because I rained cum down on Heather's back in a thick, white downpour. It was pooling in the arch of her back, it had gotten into her hair, it was dripping down her shoulder...it was fucking everywhere.

I tapped out in the cleft between Heather's butt cheeks, and took it easy pulling my finger out of her ass. Heather slumped down on the table, where Lynn lay curled on her side, sucking twat nectar off her fingertips.

"Why can't it rain more here?" Heather complained a little while later, her clothes back on and her measuring cup filled with sugar. The rain had stopped.

"Good question," I said, for the first time wishing I lived somewhere else. Like Seattle, maybe. On shaky legs, I walked the girls to the door.

"Good luck with the cookies," I said as they headed out. Both girls turned back to look at me.

"We'll bring you some when they're done," Lynn said.

Ahhh, to hell with Seattle. People can bake anywhere....

Looks like Delila is sluttin' it up at the salon!

She's usually very professional during work hours at her job as a hair stylist. Usually. "It had been slow all day and this guy was the last customer of the night. It was just me and a manager and she was in the back doing paper work. I don't know what came over me, but the guy turned me on. He didn't even need a hair wash, but I gave him one anyway so I could stick my boobs in his face."

Now that's what we call customer service!

Delila went above and beyond to make her customer happy. She wanted to make sure she got a good tip. And by tip we mean the tip of his dick in her mouth and pussy. "He was as turned on as I was. I grabbed his cock through his pants and felt that it was hard. That made my pussy wet, and I love it when it gets wet before I even pull my undies down. I unzipped his pants and took out his cock. Precum was all over the head of his dick, and I was glad that he was as wet as I was. I sucked it and felt it grow even bigger in my mouth."

"I wanted his cock in my pussy."

You know how sometimes you're so horny that you don't even care about oral? When you just want to get to the main event ASAP? That's how Delila felt after sucking this guy's rod off. "I was so horny that I didn't even think about him eating me out. I just wanted to ride his dick. My pussy was throbbing! But he insisted on licking my twat, and I'm glad I let him. As horny as I was, I think oral made the sex even better. I was so turned on it was like I had a twenty minute orgasm when we fucked. I could feel my pussy quiver every time he thrust into it."

Delila was well-rewarded in the end.

Her client wasn't going to leave without showing her his gratuity in the form of a big load of cum. "He started moaning and got really tense, and that's when he blew all over me!"
